

Dear NCMT family,

You can help NCMT raise important funds to complete the awesome new facility (fencing, paving, etc.) and enjoy HUGE savings this month by shopping my virtual store - www.bethreilly.myarbonne.com - for your last minute holiday gifts - or to start the new year off right for yourself! If you've never heard of my business or have been curious, now is the time to discover Arbonne! By becoming an Arbonne Preferred Client (see attached form for information and benefits), you can save even more this month and all year long! **I am donating 10% of my gross sales in December to New Canaan Mounted Troop. I'm tracking to make a significant donation so please consider re-directing a portion of your holiday, health/wellness, skincare or personal care spending to Arbonne's swiss-formulated, pure, safe, beneficial, vegan-certified products that give you better results, save you money and will directly benefit NCMT.**

I have many gift items in stock and immediately available - free gift wrapping too! Even if you're not local, no worries - free shipping this month! In order to take advantage of these special December offers, **you must place your orders thru me vs. shopping online.** Feel free to shop online at will going forward. So please review the attached flyers, make your wish list - full descriptions and pictures are available at www.bethreilly.myarbonne.com (shop online tab) and email or fax me. I attached my top ten list, fyi. As always, feel free to call/email w/questions and **please forward to friends/family!** Thanks so much and all the best to you and your family during this special season!

Beth Reilly
